Who we are:

We are a Garda Youth Diversion Project based in the Kilmore West Youth Project CLG, called the KEEP project.

We are a team of 3 Youth Justice Workers who work with young people aged between 12 and 18 years of age.

Youth Justice Workers develop positive relationships with young people, this enables them to make informed choices for themselves to move away from offending behaviour. We feel passionate about young people having a voice in their community & actively engaging in positive change.
